

SENIOR BUILDING SURVEYOR

EDINBURGH

Major Job Function:

With such a vast location range to cover, our Edinburgh team oversee a large amount of services across Scotland and the north of England. The varied group of surveyors provide our whole roster of services, with experts in project management, contract administration and dilapidations on hand to provide clients with solid advice in a part of the world that is constantly growing and changing as the industries in Edinburgh and the surrounding areas change too.

In addition to the contractual duties, the successful candidate should be responsible for:

Professional Duties

- Providing clients with initial verbal advice on potential instructions in response to any direct enquiries received.
- Preparing formal written fee quotations for signing off by a Director. and ensuring full terms and conditions of engagement are sent with fee quotations.
- Owning and controlling of instructions and fulfil the role of Contract Administrator/Project Manager/Project Monitor/Employers Agent and overall Lead Client Contact in connection with the procurement of new build, repair, alteration or refurbishment projects.
- Undertaking any type of professional work including building inspections, dilapidations surveys and negotiations, party wall matters, etc. Produce reports and schedules as appropriate expediently following initial survey. To fulfil the role of primary client contact in this regard.
- Demonstrating a full and thorough knowledge of all legislation affecting the procurement of works and the maintenance and use of property.
- Retaining a sufficiently detailed knowledge and appreciation of current and forthcoming legislation to be able to provide clients with advice accordingly.
- Making full and efficient usage of all available resources within the Trident organisation to fulfil client requirements with maximum efficiency and to the highest quality.
- Ensuring training opportunities are maximised where junior surveyors are assisting and ensuring they are fully briefed of their role and de-briefed upon completion.
- Being fully aware and conversant with the RICS Code of Conduct and to maintain the designation of Chartered Building Surveyor for the term of their employment.

General Duties:

- Keeping Work in Progress (WIP) forms up to date and submitting them on a monthly basis.
- Taking responsibility for fee billing on projects and ensuring invoices and aged debts are submitted in a timely manner.
- Submitting expenses by the first Wednesday of every month.
- Attending meetings as and when required.
- Managing files and undertaking administrative tasks required by the company.
- Complying with all procedures and requirements detailed in the Trident Quality Assurance Manual
- Undergoing, understanding and complying with the company's Health and Safety policies.
- Adhering to the Safe Surveying Guide whilst on site.
- Demonstrating corporate responsibility and leadership.
- Recognising the aims of the company and assisting to attain the mission statement.
- Supporting and representing the aims of the company.

SENIOR BUILDING SURVEYOR

EDINBURGH

Continuing Professional Development

- Meeting the minimum RICS requirements for CPD and maintaining an updated record completed.
- Preparing and presenting CPD training seminars for the company's staff.
- Fulfilling the role of Supervisor or Counsellor to assistant surveyors.
- Seeking opportunities relevant to new developments in the sector to maximise the company's ability to keep ahead of the competition in winning new business.

Business Development

- Marketing services offered by Trident to existing and prospective clients and seeking opportunities for "cross-selling" of services where possible.
- Managing client's expectations and ensuring that they are regularly and fully informed.
- Assisting in developing new client contacts and leads into new business for the company.
- Keeping informed in the surveying and property field and exploring the same for future business opportunities for Trident.
- Presenting the Directors with ideas for potential new business opportunities as and when possible and assisting in the production of business plan documents to progress these opportunities.
- Exceeding client expectations and building and maintaining a good reputation and relationship with existing clients both personally and as a representative of Trident.
- Establishing and maintaining a profile within the wider business community.
