Job Summary

Assistant Fire Surveyor
LONDON

The Opportunity

Trident are seeking to recruit an assistant fire safety surveyor to join our established team in London, delivering on a range of fire engineering and fire safety services. There is scope for fast career progression with structured support, and to get involved in the direction of the business, and work with a wide range of clients on differing asset types. The role would be a mix of site-based and office-based activities.

The successful candidate would get direct exposure to clients, so that they can understand our client's aspirations and help us to achieve these. We work with various client types and their representatives, providing support on life safety and asset protection outputs, including fire strategies, fire risk assessments, FRAEW's, intrusive investigations (external wall and internal compartmentation), and delivery of remediation strategies on site.

The successful candidate would also get the opportunity to grow their network of local and national contacts as we work with a variety of clients, including developers, property agents, managing agents, solicitors and other property professionals.

The opportunity is for a candidate with a relevant qualification and experience in fire safety and building surveying, with good attention to detail, clear communication skills and a willingness to learn.

Trident will offer a highly competitive salary package including a range of benefits:

- iPhone & Laptop to support our agile & hybrid working policy
- Enhanced maternity / paternity and adoption leave policy (after a successful probationary period)
- Competitive private pension scheme (5% employer & minimum 3% employee contribution)
- Private Health Care (after 3 months)
- Tax-free EOT bonus scheme – after 12 months continuous employment
- Membership to our life insurance scheme (x2 annual salary)
- Upon passing probation the company will provide you with a £20.00 monthly allowance to spend on our benefits package provider, Zhoosh, to further enhance your benefits package:
    - Top up your pension contributions
    - Purchase critical illness cover, in steps of £25,000 up to £250,000 maximum cover
    - Purchase life insurance, in steps of £25,000 up to £250,000 maximum cover
    - Purchase a bike through our cycle scheme
    - Lease an electric car
- Car allowance (once Chartered)
- Company and team profit shares
- Career development investment
- Payment of professional fees and membership subscriptions

About Trident

In June 2022 Trident proudly became an Employee Ownership Trust. Trident has recently been awarded "Investors in People" Gold accreditation, which demonstrates that our people are our most important asset. Trident's culture embraces diversity, equality and inclusion (DEI) across our offices and our team enjoy a healthy work life balance that supports physical and mental wellbeing.

Trident are B Corp certified and were featured in the Sunday Times, Best Places to Work 2026! We have also partnered up with PREACH Inclusion to implement our DEI Framework. We've meticulously measured our carbon footprint and set a science-based target through SBTi (Science Based Targets Initiative), ensuring our goals are grounded in scientific consensus.

Our network of national regional and offices work as a collaborative team to provide the highest level of Building Surveying and Project Management to our enviable client list. Our agile working policy has operated since 2019 and it recognises that work is not just performed "9 to 5" in the office, allowing our staff the flexibility to vary working hours and to work remotely although we encourage staff to attend the office regularly to help promote our core values of team working and collaboration.
